CORPORATE COLLABORATION

WITH

IAESTE INDIA LC JECRC

JECRC University, Jaipur, Rajasthan

IAESTE

▶ The **International Association for the Exchange of Students for Technical Experience (IAESTE)** is one of the world's largest global internship exchange organisations.

- Founded in 1948 at Imperial College London.
- Operates in **100+ countries**.
- Facilitates **technical internships** for STEM students.
- Works with universities, industries, and research institutes worldwide.

▶ **IAESTE promotes professional development, cultural exchange, and international cooperation.**

IAESTE India is responsible for managing internship exchange activities in India.

- Active member of the IAESTE global network.
- Active since 2001.
- Facilitates **hundreds of International Internships** annually.
- Partners with leading universities and industries.

IAESTE India bridges the gap between global talent and industry needs.

IAESTE INDIA LC JECRC

IAESTE India LC JECRC operates from JECRC University, Jaipur, one of the leading engineering institutions in Rajasthan.

Our Focus is to:

- Promoting international technical internship opportunities for students
- Establishing strong corporate partnerships with industry
- Hosting international interns in India
- Encouraging global exposure and cross-cultural collaboration

IAESTE India LC JECRC serves as a bridge between global technical talent and industry partners, facilitating meaningful international exchange.

Our Impact:

- **129 International interns** hosted in India since 2014
- **91 Indian students sent abroad** through the IAESTE exchange program

WHY COLLABORATE WITH IAESTE?

IAESTE connects organisations and students through a strong international ecosystem, enabling meaningful collaboration between industry and academia worldwide.

Network Highlights

- **80+ member countries** participating in the IAESTE exchange program
- **3000+ corporate partners** globally
- **5000+ Indian students** engaged annually

The network includes partnerships with prestigious academic institutions such as **Imperial College London, ETH Zürich, TU Delft, Queen's University Belfast, Zürich University of Applied Sciences - School of Engineering, and Manipal Academy of Higher Education**. Alongside academic collaborations, IAESTE also works with leading industry organizations including Procter & Gamble (P&G), AMEnergia, Greenfish AG, and Addverb Technologies Pvt. Ltd.

CORPORATE OFFER MODEL

IAESTE works on a **reciprocal exchange model**.

Companies host an **international intern**, and in return, an **Indian student** receives an opportunity abroad.

This exchange model enables:

- **International technical collaboration**
- **Global skill development**
- **Cross-cultural knowledge transfer**

It is the core principle behind IAESTE's international exchange program.
